

FROM THIS . . . to this, Lynn Ewing took home a blue ribbon for her entry in the pet parade last week at Torrance Park—it was the horse she's riding, and the ribbon was testimony to the fact that it was the largest entry there. On the other hand, the little turtle (inset) won its master a blue ribbon for the smallest pet. The hands belong to Gail Davis who entered the turtle in the parade.—(Herald Photos).

'Blondie--' Dagwood's due Here!

Dagwood and "Daisy," of the "Blondie" series movies, will make personal appearances at the Torrance Rotary Club Thursday, July 27, according to Don Armstrong, program chairman. Dagwood, in real life Arthur Lake, will put on a show for the local Rotarians featuring the almost-human canine "Daisy" and her five pups. The well-known movie, radio, and television comedian will be introduced by Bob Lewellen who arranged the personal appearance.

Red Feather Appointments Announced

San Levy, Torrance merchant and chairman of the Community Chest campaign here in 1949, will this year direct the efforts of Harbor area cities and towns as over-all chairman. It was announced this week by Floyd Y. Snyder, chairman of Harbor board of the Welfare Federation of Los Angeles Area.

Among his first appointments, Dean L. Sears, manager of Bank of America and president of the Chamber of Commerce, was chosen to act as city chairman for Torrance, and now is organizing his forces for the fall united appeal for 1950 Red Feather health, welfare, youth and veterans agencies. He headed the major Commerce and Industry Division in 1949. Appointed to community service several weeks ago by the Harbor Board, Levy and his vice chairman B. A. Devine, manager of Southern Counties Gas Company, of San Pedro, have moved to secure representative citizens for the annual Chest campaign. Their efforts have been so productive that, according to Snyder, the Harbor Area is now far in advance of other metropolitan Chest sections in campaign preparations. Speedy action has been made possible, it is claimed, by the decentralization of authority effected this year through the inauguration of the Harbor board of directors working directly with representatives of local communities.

Other city chairmen secured by Levy and Devine are Paul Colalucia, secretary of the Chamber of Commerce, for Gardena; Thurman H. Porter, insurance, for San Pedro; Noble Waite, principal, Banning High School, Wilmington; and Donald Armstrong, attorney, who has his offices in Torrance, for the City of Palos Verdes. Each is an experienced Chest campaign volunteer leader. Chairmen are yet to be appointed for Lomita, Harbor City and Dominguez.

COTTON OUTPUT
Annual production of cotton woven goods is over nine billion square yards, enough to blanket 3,000 square miles.

Youth Band Slated For L. B. Concert

Members of the Torrance Area Youth band will play a concert in Bixby Park, Long Beach, tonight under the auspices of the Long Beach recreation department, according to the band director, James Van Dyck. Saturday, the band, and the all-girl baton corps, will participate in the fiesta parades at Dominguez.

Summer Enrollment Hits 1188 Fall Planning Underway

Final tabulation of registrants for the current summer session at El Camino College shows a total of 1188 students signed up for classes at the local school. The summer session will continue through August 16. Plans are now under way for the fall semester, at which time a number of new, vocational, technical, and liberal arts courses will be added. Registration for the regular fall session will be held from September 11 to 13, and classes will begin September 14.

New catalogs giving details on all classes offered, along with information concerning registration, are now available at the college, located at Crenshaw and Redondo Beach boulevards.
